## **InterOcean Joins International Network of Investment Banks**

March 2010 – InterOcean Advisors (IOA) is finalizing an agreement to join a prominent international network of middle market investment banks. The network will expand IOA’s geographical reach to assist its clients in accessing buyers, sellers and capital sources around the world. With personnel in more than 20 countries in Europe, and offices in Argentina, Brazil, Israel and Singapore, the network provides local access to major economic markets around the world. “Through regular interaction between the firms, member firms have developed a high-level of cooperation and a proven track record of cross-border support – including an increased ability to identify and gain access to potential transaction parties in foreign countries,” said Bob Wujtowicz, Managing Director. “With the significant growth in global business practices among middle market companies, we will be well-positioned to continue to provide a high level of service to our clients.”

InterOcean Advisors LLC, based in Chicago, Illinois, is a boutique investment bank focused on providing mergers and acquisitions and capital raising advisory services to middle market manufacturing companies.

Securities are offered through 1st Worldwide Financial Partners, LLC.
